Please pass on to those who need to know-

First of all wanted to say thank you for the R6 and R9 staff being here in Durango, those to come and all you're doing from your home base, Farmington, Navajo Nation, and Regions beyond, etc. This truly has turned into a national team effort. Wanted to share some info with you in regard to inquiries, process etc.

Some of the key contacts/numbers we've established:

La Plata County Call- In: 970-385-8700

Public Call-in: 844-607-9700

JIC/Media: 970-812-3351

Media Email.: press@epa.gov

As Christie mentioned below, we want to direct as many media inquiries as possible to press@epa.gov so we can track, follow through, and provide consistent, vetted answers. We're also compiling a list of Q&As that we hope to post on the website, use for inquiries, etc. May need to reach out to you too for some of those answers as well. Will note in the Subject Line "FOR IMMEDIATE ACTION:" and will truly need a 1-2 hour turn around time.

Thanks a bunch. Let me know if there's anything you need.

Subject: Media requests

Hi everybody.

Please help us triage incoming requests.

As we ramp up our ability to respond please note JIC ACTION - Outlet - DDL in the subject line.

If it can likely be better answered by HQ, use EOC ACTION - Outlet - DDL in the subject line.

Please designate whether the time is MTN or EDT.

Also, please only send to press@epa.gov - no need to cc the local PIOs.

Thanks,

Christie
